

Investing for Success

**Under this agreement for 2018
Beerburrum State School will receive**

\$47,076*

This funding will be used to:

- guarantee that 75% of Prep students will be able to compose and record short, meaningful sentences by the end of 2018
- increase the percentage of students in Year 3 and Year 5 at or above the NAPLAN National Minimum Standard so that both year levels are statistically similar to or above the nation in Writing
- increase Year 3 and Year 5 NAPLAN Mean Scale Scores in Writing so that they are statistically similar to that of the nation.

Our initiatives include:

- analysing student performance data to identify, target and track student improvement in Writing to develop Individual Student Learning Goals for Writing
- explicitly teaching writing using Pearson's Gradual Release of Responsibility Model
- increasing the opportunities for staff and students to access information technologies to support teaching and learning.

Our school will improve student outcomes by:

ACTIONS	COSTS
Building teacher capability in the explicit teaching of writing strategies by providing professional development and resourcing, to ensure the explicit teaching cycle is embedded in every classroom.	\$16 320
Utilising teacher aides to provide extensive literacy support for individuals or small groups of students in Years P – 3.	\$20 000
Provide an additional speech language pathology school allocation.	\$ 1 756
Building teacher capability in the implementation of information technologies.	\$ 9 000
